

BLACK SLUICE NAVIGATION/SOUTH FORTY FOOT

DATE: 9 June 2020

LOCATION: Black Sluice Lock

DETAILS:

With the opening of the new navigation channel at Boston Barrier, we are required to make the Port of Boston Harbour Master aware of all lock passage bookings the day before any locking in and out at Black Sluice Lock.

Therefore, with immediate effect, all lock passage bookings must be booked a minimum of 48 hours in advance of passage.

Black Sluice Lock is close to the barrier and strong river currents. Mariners are reminded to monitor VHF channel 12 when in the Haven and near the Boston Barrier Works.
