RIVER NENE AND RIVER GREAT OUSE & TRIBUTARIES

DATE: 21 March 2023 for approximately 2 weeks

LOCATION: Various Locks

DETAILS:

Contractors working on our behalf will be carrying lock chamber cleaning on the Anglian Waterways system. Works will be undertaken from a work boat within the lock chamber; therefore some short delays may be experienced.

Please ensure you make your presence known when arriving at a lock that is being cleaned. Spotters/banksmen will be onsite, and signage will be displayed at the locks being worked on. Please take heed of any instruction given by the contractors onsite.

These works are river and weather condition dependant, so may be subject to change at short notice.

For further information, please contact the Environment Agency on 03708 506506 between 9am and 5pm Monday to Friday and ask for the Nene or Great Ouse Waterways Team.
