LOCATION: River's Cam & Lark and Ely Ouse

DETAILS:

Please be advised we are aware of the increased presence again of floating pennywort on the Ely Ouse, River Lark and River Cam.

To assist us we would request that you please report any sightings of pennywort via www.bit.ly/ousepennywort.

For further information, please contact the Environment Agency on 03708 506506 between 9am and 5pm Monday to Friday and ask for the Great Ouse Waterways team
