

UPDATED NAVIGATION ADVISORY NOTICE

Environment
Agency

RIVER GREAT OUSE

DATE: 28 July 2022 – Until rescinded

LOCATION: Hemingford Lock

DETAILS:

Further to our navigation advisory notice issued 26 March, we continue to experience intermittent issues with the timer on the lock gate.

Boaters if experiencing difficulties, please keep your finger fully depressed on the button until the gate is fully open even through the delay period.

If you require further assistance, please contact the incident hotline number on 0800 807060 and ask for the duty officer for the Great Ouse Waterways team.
