

NAVIGATION RESTRICTION NOTICE

Section 15 Anglian Water Authority Act 1977

RIVER NENE AND RIVER GREAT OUSE

DATE: 1 March 2022 for approximately 4 weeks

LOCATION: Various Locks

DETAILS:

Contractors working on our behalf will be carrying lock chamber cleaning at various locations on the river Nene and river Great Ouse. Works will be undertaken from a work boat within the lock chamber, therefore some short delays may be experienced.

Please ensure you safely make your presence known to the operatives on site when arriving at a lock that is being cleaned. Spotters/banksmen will be present, and signage will be displayed at the locks being worked on. Please take heed of any instruction given on site.

These works are river and weather condition dependant, so may be subject to change at short notice. We will issue an updated Navigation Notice in the event of any changes as soon as possible.

For further information, please contact the Environment Agency on 03708 506506 between 9am and 5pm Monday to Friday and ask for the Nene or Great Ouse Waterways Team.
