

NAVIGATION ADVISORY NOTICE

RIVER GREAT OUSE

DATE: 3 May 2023 – Until Rescinded

LOCATION: Brownhill Lock

DETAILS:

There is currently an intermittent fault identified with the indicator light on the upstream control panel at Brownhill Lock when the gate is fully lowered position.

We are working to have this issue resolved as soon as possible and thank you for your patience.

In the event of this fault occurring, boaters are advised to repeatedly press the gate closed button on the upstream control panel until the light remains on before proceeding through the lock.

For further information, please contact the Environment Agency on 03708 506506 between 9am and 5pm Monday to Friday and ask for the Great Ouse Waterways team
