

RIVER GREAT OUSE – ELY OUSE

DATE: 11 January 2022 – Until Rescinded

LOCATION: Ely Pump Out – Willow Walk Ely

DETAILS:

Further to our previous navigation notices relating to the pump out at Ely, several attempts have been made to repair the unit but it has now been deemed a write off. We are urgently sourcing a new pump but with the current issues and uncertainties being faced by supply chains generally at this time we have been advised that this will take at least 5-6 week lead time before this can be delivered and fitted.

We apologise for any inconvenience this may cause but is beyond our control. Alternative pump outs on the river Gt Ouse can be found at Westview Marina and Denver.

For further information, please contact the Environment Agency on 03708 506506 between 9am and 5pm Monday to Friday and ask for the Great Ouse Waterways team
