

# NAVIGATION CLOSURE NOTICE

## RIVER GREAT OUSE

**DATE:** 20 November 2022 – 1 March 2023

**LOCATION:** Various see below

### DETAILS:

Our Winter Works Programme for 2022/2023 is a major investment in many structures along the River Great Ouse, which will deliver significant and long-term benefits to the navigation. However, in order to deliver this, the closure of some locks will be longer than usual and we apologise for any inconvenience this may cause. Subject to weather and river conditions we aim that the river will be fully open for navigation by Easter 2023.
