

NAVIGATION ADVISORY NOTICE

RIVER NENE

DATE: 26 June 2023 – Until Further Notice

LOCATION: All Sites

DETAILS:

With the recent onset of warmer weather our sites have seen an increase in public gatherings. However, we have also experienced a rise in vandalism and anti-social behaviour alongside this.

The Environment Agency would appreciate your support with instances of anti-social behaviour and ask that the Police are contacted for this reason and such behaviour reported. The more calls they receive from the public alerts them to the importance of the need of potential patrols or further measures.

However, should the site also be damaged we request that as well as contacting the Police, you call the Environment Agency also to report the damage for us to enable a repair to be carried out.

Thank you for your support in keeping our sites pleasant places to be. Your calls to the Police help us to have a louder voice when dealing with instances of anti-social behaviour and damage at our sites.

For further information, please contact the Environment Agency on 03708 506506 between 9am and 5pm Monday to Friday and ask for the Waterways team in the Lincolnshire & Northamptonshire Area.
