

# NAVIGATION ADVISORY NOTICE

## RIVER NENE

---

**DATE:** 15 June 2023 – Until further notice

---

**LOCATION:** Between Cogenhoe Lock and Wollaston Lock

---

### DETAILS:

We are aware that there is a large amount of floating weed on the River Nene between Cogenhoe Lock and Wollaston Lock and fully appreciate the concerns raised by river users regarding its presence.

We are in discussions with other Environment Agency departments as to what can be done and when we can begin weed cutting. Additionally, there are environmental factors such as the weather and the river's oxygen level that we need to take into consideration before work commences.

In the meantime, please navigate with caution whilst in this area.

You can also contact us at the Environment Agency on 03708 506506 between 9am and 5pm Monday to Friday and ask for the Waterways team in the Lincolnshire & Northamptonshire Area
