

## NAVIGATION ADVISORY NOTICE

### RIVER NENE

**DATE:** 25 February 2021 – Until Further Notice

**LOCATION:** 337 metres Downstream of Wansford Lock

**DETAILS:** Please be aware of a low hanging tree branch that extends 50% across navigation channel in the above area. This obstruction is leaning from the right-hand bank looking downstream.

Navigation past this point is possible however please take care when passing this obstruction. Vessels heading downstream from Wansford Lock have priority so vessels heading upstream towards the lock must be prepared to give way.

We are working with our contractors to have this removed in due course.

You are reminded that Government restrictions on travel are still in force thus limiting boat movements for essential purposes only.

For further information, please contact the Environment Agency on 03708 506506 between 9am and 5pm Monday to Friday and ask for the Waterways team in the Lincolnshire & Northamptonshire Area.

**Irven Forbes, Waterways Manager**
