ADVISORY NOTICE

RIVER GREAT OUSE

DATE: 21 March 2024 – Until Rescinded

LOCATION: Denver Lock to Salters Lode Lock Crossing

DETAILS:

Our contractors are currently progressing with the desilting work between Denver Lock and Salters Lode Lock.

Once de-silting works have been completed at Denver Lock, de-silting works will commence at tidal lock entrance at Salters Lode Lock.

We anticipate that works at Salters Lode Lock entrance will begin during the week commencing Monday 27 May 2024 and will last into mid-June.

We will provide regular updates as the work progresses.

For further information regarding Salters Lode Lock please also refer to the Middle Level Commissioners website.
