

NAVIGATION CLOSURE NOTICE

Section 15 Anglian Water Authority Act 1977

RIVER GREAT OUSE

DATE: 9 January 2024 – 9 April 2024

LOCATION: Brampton Lock

DETAILS:

Our Winter Works Programme is a major investment in many structures along the River Great Ouse, which will deliver significant and long-term benefits to the navigation. However, in order to deliver this, the closure of some locks will be longer than usual and we apologise for any inconvenience this may cause. Subject to weather and river conditions we aim that the river will be fully open for navigation by mid April.
