

NAVIGATION ADVISORY NOTICE

RIVER GREAT OUSE

DATE: 8 January 2024 – approx. 6 weeks

LOCATION: St Ives Lock D/S Landing Stage Area

DETAILS:

Please be aware contractors working on behalf of the Environment Agency will be carrying out bank reprofiling and reinforcement works to the downstream landing stage area at St Ives Lock commencing on 8 January 2024 for approx 6 weeks. We are advised that the landing stage will still be accessible to boaters throughout this period although there may be a few occasions where the contractors will require access so will assist navigation through the lock.

Boaters are requested to navigate with caution whilst in this area and heed any signage or instructions provided by contractors on site.

For further information, please contact Taylor Jugg Assistant Project Manager on 01223 463640 or the Environment Agency on 03708 506506 between 9am and 5pm Monday to Friday and ask for the Great Ouse Waterways team.
