

NAVIGATION ADVISORY NOTICE

RIVER GREAT OUSE - TIDAL

Ref: EAN055

DATE: 20 May 2025 until rescinded

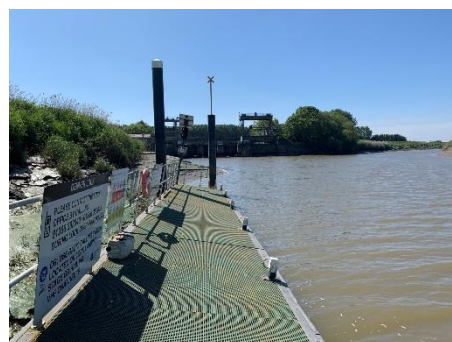

LOCATION: Denver Tidal Pontoon
///waggled.singers.reviews

DETAILS:

Issue: Tidal Pontoon listing at low river levels.

Impact on navigation: No impact on Navigation.

Report: Please be aware that the downstream tidal pontoon is leaning depending on tides and water levels. Take care if using the pontoon and be aware that river level can change significantly and quickly in this area.

Action: At low tide it is unlikely that there is enough water to moor against the pontoon, so please do not attempt to.

Please see our website www.visitanglianwaterways.org for the latest updates.

For further information, please contact the Environment Agency on 03708 506506 between 9am and 5pm Monday to Friday and ask for the Great Ouse Waterways team.

Katherine Briscoombe

Waterways Manager

20 May 2025

Anglian Waterways does not provide rescue services. If the matter pertains to lock operation, obstructions in channel, safety issues or speeding please contact us first. In the event of an emergency or distress please contact the emergency services in the first instance. Call 999 and advise what the emergency is.
